Internship Notice

The department is conducting an internship drive for MCA 6th Semester Batch 2018 students. The internship is available in the following domains:

1. Software Testing.
2. Machine Learning and Automation.

The duration is for 6 Months and with option of 40/20 hours in a week which lasts from Monday to Saturday. A stipend will be paid to all interns. The internship will be governed by terms and conditions of the company which will be communicated to the students who will qualify for the internship based on the interview. The interview dates will be communicated shortly. The benefits of the proposed Internship Program are:

1. Working on real-life projects.
2. Participation in regular project sprint calls.
3. Great industrial exposure

On successful completion of internship program, certificate will be issued. Based on the performance of the students, the company may offer full time job to deserving students.

The desirous students having basic knowledge of listed domains can email their CVs at csnc@uok.edu.in latest by 14th December 2021.

Wish you all good luck

Umar Farooq
