Jamalatta, Nawakadal, Srinagar-190002, Jammu
Kashmir, India.

Objective

Not many people are fortunate enough to love what they do. As a teacher, I would like to utilize my lively and energetic attitude in learning and teaching with great enthusiasm. I love to explore more and share my knowledge with others which I would acquire from research. This gives me an opportunity to learn continuously. I would also like to learn how to motivate, improve on leadership quality, being creative and innovative and do lots of hard work to make oneself as the most competent teacher and researcher.

Experience

- From May 2018 to Current, working at the Department of Management Studies, North Campus, University of Kashmir. Subjects teaching Quantitative Techniques and Research Methodology, E-Marketing, Entrepreneurship Development.
- From August 2017 to April 2018, have worked at the above department. Subjects taught CRM and Production Planning and Control.
- From April 2016 to March 2017, taught at the above department. Taught CRM, Managerial cost accounting and Computer Applications.
- From 2013 January to 2015 December, qualified NET and got engaged with Ph.D. on a full-time basis.

- From April 2012 to March 2013, taught at the Greenland Business School, Srinagar, Jammu Kashmir, My work their included teaching the management subjects and also acted as the coordinator of the BBA department.
- From May 2011 to March 2012, worked as a lecturer in SEM College Srinagar, Jammu Kashmir. Subjects Marketing management, Production management, and Economics to BBA. Also taught Entrepreneurship development as well later on.
